

Letter of Intent

What will your legacy be?

Supporting Jewish employment in our community since 1940, our agency, formerly known as Jewish Vocational Service, was created to counter antisemitism in the workplace and to assist Jewish refugees, soldiers and veterans, students, and other members of the Jewish community in finding jobs. JVS Careers continues to lead the community in delivering meaningful employment opportunities for all of Jewish Cincinnati today with a focus on Jobs, Vision, and Success.

As we have evolved to meet changing community needs, we stay true to our goal of providing the highest level of assistance described by the Jewish sage Maimonides: supporting people seeking employment so that they are not dependent on others.

JVS Careers provides life-changing career coaching services to job seekers at every stage of their working life. Being without a good job or without a job at all creates tremendous pressure on our clients and their families. During those difficult times, our low cost or free resources and programs transform clients' lives by guiding them from stress to success.

We also engage with the Cincinnati Jewish community and local businesses through professional recruiting, outplacement, and executive coaching services. Our services impact not only the individual who secures a job, but all of Jewish Cincinnati. Those who are able to provide for themselves and their families rely less on our human service agencies, contribute more to our economy and have greater capacity to give back and strengthen our Jewish organizations and community.

Your legacy gift perpetuates professional employment services that will play a key role in attracting and retaining members of our Cincinnati Jewish community for generations to come.

Please join us!

By creating my Jewish legacy, I confirm my commitment to support the Jewish organization(s) that have been important to me in my life, to help them endure and thrive for future generations.
